DISTRICT ATTORNEY

**Jimmy Harmon**  
FIRST ASSISTANT DISTRICT ATTORNEY

**Dear Merchant,**

As the District Attorney of Oklahoma County, I would like to take this opportunity to welcome your business to our county, and introduce you to one of the services provided by my office that has already benefited many Oklahoma County merchants. Each year the business community loses millions of dollars as a result of bogus checks. Many businesses have actually had to close their doors because of these losses. Hopefully, you will not suffer losses such as these, however if you do, to assist you in the fight against crime, the Bogus Check Restitution Program was established and designed expressly for recovering as much of your money as possible.

Since its inception in 1982, my office has collected and returned over fifty million dollars to the merchants of Oklahoma County. This program is of no burden to the taxpayers of this state and is available to you FREE of CHARGE, as it is solely funded by the fees assessed to the bogus check writers.

I invite you to call our Bogus Check Restitution Division on our merchant line (405) 713-2216 if you would like more information concerning our program and how it can benefit you as the merchant.

Sincerely,

A handwritten signature in blue ink, appearing to read "David W. Prater", with a long horizontal flourish extending to the right.

DAVID W. PRATER  
OKLAHOMA COUNTY DISTRICT ATTORNEY
