

**OKLAHOMA COUNTY HEALTH BENEFIT PLAN**  
**PLAN DOCUMENT AND SUMMARY PLAN DESCRIPTION**  
**EFFECTIVE JANUARY 1, 2015**

**IS HEREBY AMENDED, EFFECTIVE 7/1/2021, TO INCLUDE THE FOLLOWING  
LANGUAGE:**

**Deductible and Out-of-Pocket applies to the covered charges for outpatient dialysis services.**

**First 4 months, covered charges for outpatient dialysis services rendered by both Network and Non-Network healthcare providers will be paid at the billed amount minus any applicable discounts. After the first 4 months, covered charges for outpatient dialysis services rendered by both Network and Non-Network healthcare providers will be paid at 125% of Medicare payment rates and guidelines in effect at the time services are incurred for the geographical area in which the services are incurred. Payment is based solely on the current year Medicare fee schedule and not on Reasonable and Customary limitations.**

**Charges incurred in connection with outpatient dialysis treatment include:**

- Dialysis-related services, equipment, and supplies**
- Injectable drugs and their oral forms and biological, including erythropoiesis-stimulating agents used for dialysis treatment**
- Laboratory tests and other items and services provided for dialysis treatment**
- Home dialysis training**
